Security Clearance

► All camp staff, 18 years of age and older, must have current Act 33, 34 and 73 Clearances (Child Abuse History Clearance, Criminal Record Check and FBI fingerprinting) within the last 2 years, valid up to August 16, 2020. Please check the camp website for details about obtaining your security clearances. <http://www.chp.edu/CHP/staff+camp+chihopi>

If you are accepted for a position at camp, clearances must be verified no later than July 21, 2020. The University of Pittsburgh Medical Center mandates that security clearances must be obtained every 2 years to work with the children at camp for liability reasons. **There are no exceptions to this rule.**

I have read and understand this statement. If I am 18 years of age or older, I will obtain my clearances to be a volunteer at Camp Chihopi. I understand that I will not be able to attend camp if I do not have my clearances by July 21, 2020.
