FOOD!

Pittsburgh is a foodie city! Growing from a rich and diverse food the city's restaurant industry has kicked into a new level over the past few years bringing in more tastes and dining experiences! The following lists is only a small sample of what the city offers, I highly recommend you take a look at the places listed and also wander around the neighborhoods yourself and find a new place to add to this list!

Pizza! Whether you are looking for that greasy, delicious pizza or one that has more flavor and less regret we have you covered!

- [Caliente Pizza & Draft House](#)- 4624 Liberty Ave, Pittsburgh PA 15224 – 412-682-1414
Home to the 2016, 2017, and 2018 World Pizza Champions! Caliente's has four locations in the Pittsburgh area. They have a variety of pizza and over 20 craft beers on tap. They have extra seating downstairs with another full bar. Seating can be limited on game days and weekend evenings, but you can also order take-out or delivery! They also have every day food and beverage specials along with special beer release events!
- [Pizza Taglio](#)- 126 South Highland Ave, Pittsburgh PA 15206 – 412-404-7410
Pizza Taglio is a Roman-style pizzeria with the option of red and white pizza! The crust is thin and crunchy, but light and delicious! The restaurant is small and seating is limited, so be prepared to wait if going on a weekend evening. There are plenty of bars near the restaurant so I recommend putting your name on the wait and grabbing a cocktail nearby. Be aware, it is BYOB but luckily just across the street is a Wine's and Spirits so you can grab a bottle of wine to pair with the pizza!

- [Spak Brothers](#)- 5107 Penn Ave, Pittsburgh PA 15224 – 412-362-7725
