

UPMC
Delineation of Privileges Request
Criteria Summary Sheet

1

Facility: UPMC McKeesport

Specialty: FAMILY MEDICINE

KNOWLEDGE	Successful Completion of an ACGME/AOA, accredited program
TRAINING	The successful completion of an approved postgraduate residency program in Family Medicine
CERTIFICATION	Current Board Certification by the American Board of Family Practice (ABFP) Graduates of foreign post-graduate programs will be considered on an individual basis. However, current board certification by the American Board of Family Practice is mandatory. Recent residency graduates will have two years from the completion of residency training to obtain their ABFP board certification. Physicians who completed medical school prior to 1980 and do not have ABFP board certification must have maintained an active hospital family practice for a minimum of 15 years which can be reviewed to determine if competency is exhibited for requested Clinical Privileges
OTHER	N/A
