

Non-Invasive Cardiology Physician UPMC ALTOONA Regional Health Services

About Our Health System

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) offers exceptional career growth opportunities and stability as part of a financially strong and thriving world-class health system. The 400-bed regional health care system provides care to nearly 350,000 residents in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a Joint Commission certified stroke center. The hospital provides comprehensive cardiology and cardiovascular surgery, neurosurgery, vascular and endovascular surgery, behavioral health, vascular and wound care. The Health System's medical staff is comprised of approximately 400 primary care physicians and specialists.

UPMC Altoona Regional Health Services (ARHS) is a multi-specialty physician group that employs over 100 physicians and 75 advance practice providers (APPs) in cardiology, dermatology, endocrinology, ENT, family practice, internal medicine, medical oncology, neurology, orthopedics, plastic surgery, pulmonology, radiology and urology.

About The Practice

ARHS Blair Medical Associates Cardiology Department is comprised of 5 cardiologists (2 interventionalists, 1 non-invasive cardiologist, 1 electrophysiologist and 1 heart failure specialist), providing services in 4 locations. Additionally, the department has 4 PAs, 2 nurse practitioners, and a pacemaker clinic. The cath lab, located in the hospital, served over 3,000 patients and added TAVR and Watchman procedures in 2019.

About The Opportunity

Primarily an outpatient practice, each physician sees an average of 20-25 patients a day. Work schedule is Monday – Friday, 8 am – 5 pm. Call schedule for the office will be 1:4. Candidate must be BC/BE.

Competitive compensation and benefits package includes a base salary, sign-on bonus, relocation assistance, annual CME days and allowance, PTO, health/dental/vision/life and disability insurance, retirement benefits, and occurrence-based malpractice insurance.

About Our Community

Altoona is a small city surrounded by mountains in central PA with easy access to 5 major metro areas - a friendly, uncomplicated, family-oriented community filled with cultural and recreational opportunities, and excellent schools.
