

UPMC HAMOT SUMMER SCHOLARS 2022

2022 SUMMER UNDERGRADUATE RESEARCH PROGRAM

Application Deadline is May 15, 2022
Program: June 28, 2022 to July 27, 2022

The University of Pittsburgh Medical Center (UPMC) Hamot Medical Research Program is a virtual fourweek, structured research experience designed for junior and senior undergraduate students who will be applying to medical school. Participants will generate career-building connections between researchers, physicians, administrative executives, and peers. Students are required to participate for the full period of the program. In addition to weekly assignments, at the conclusion of the program each student will complete a presentation in a specialty of interest. Please provide the following information and return the application along with two letters of recommendation and a half-page personal statement as a PDF to konieczkimr@upmc.edu. Transcripts will be required upon acceptance. **Minimum of a 3.2 GPA is required.**

Name _____ Current status: JR SR

E-mail _____ Are you currently a UPMC employee? YES NO
