

Student Internship Program at UPMC Jameson

UPMC Jameson promotes healthcare professions with student internships. To manage student internships across the UPMC system, the Education Department receives and processes all internship applications. We will approve student intern applications under the following conditions:

- The student's college course of study requires an internship for a specific time.
- A student shows a desire to serve an intern.

How to Apply for a Student Internship

Each student applying for clinical or technical internship with UPMC Jameson must follow the steps below:

- Print the [Student Internship Checklist \(PDF\)](#) to ensure all steps are completed.

Complete orientation test and mandatory training

- Review the [UPMC Jameson student intern orientation handbook \(PDF\)](#) and take the [post-test \(PDF\)](#).
- Complete the mandatory training modules ([clinical](#) or [non-clinical](#)). If you have a question about which modules you should complete, call the Education Department at 724-656-4269.
- All students must also complete an online educational module – [COVID-19 Introduction Education at UPMC](#). Students can also visit [Wolff Learning Academy](#) and click "COVID-19 Introductory Education."
- Participants will be directed to create an account and login before registration can begin
 - Click Register for a Class
 - Click Create an Account
 - Leave Preferred Class Date as defaulted
 - Submit
 - Click Complete to the left of the course title
 - Click Review course Material
 - Make sure to follow all instructions for completing the course and obtaining the certificate
