RE: DHS Regulation Update - **Flu Vaccine Only**
DATE: March 20, 2019

The Department of Human Services (DHS), the licensing agency, advised that in compliance with regulation § 3270.131 (d) (5); all children are required to receive the flu vaccine. Therefore, we have listed two options below; please complete and return to the office.

Child's Name: _____

----- YES, my child received the flu vaccine and I have/will provide documentation to TCCP.

----- NO, my child will not receive the flu vaccine for the reason of exemption from immunization for religious belief or strong personal objection equated to a religious belief.
